

# Lions: Beat Huskies 35-18

we had our two best defenders out and that played into the outcome," said Hampton coach Andrew Peters. "Leo Hayes played well and our kids had a lot of fun playing in front of such a large crowd on a turf field on a Friday night under the lights.

"We just have to regroup in practice this week and come out hard against the Greyhounds."

Benson and Moose Brooks were all over the field laying bone jarring hit after hit, something that seemed to play into the minds of the Hampton players.

"Mike (Benson) set the tone early and he and Moose just laid the leather to Hampton all night long," said Broad, who completed nine of 15 passes on the night for 171 yards, including three TD passes. He was picked off once.

Jason Daniels snared a 35-yard touchdown pass from Broad at the end of the third quarter to put the Lions up 28-6 and Josh Campbell ran for 56 yards on six carries and a touchdown to round out the Lions' scoring.

For a man who ran for 83 yards on the ground, including a 57-yard TD where he looked like a pinball dodging Husky defenders, and added 78 yards in reception yards, including two TDs, Reimer was humble.

"Derek just threw me a couple of good balls and made it easy for me

to haul them in," said Reimer. "That 57-yard run, I didn't think I was going to make it and, to be honest, I dropped two sure interceptions."

LHHS head coach Rick Kelly had praise for his star. "Peter has great vision, great game speed, he's a difference maker and he was tonight, once again," said Kelly. "All our guys played well tonight but Peter, Mike (Benson), Derek (Broad), they showed up and led us as good leaders do. That says a lot about their character and their game."

After battling sickness all week, defensive captain Benson was just glad to get the "W".

"This feels great, we waited all year to beat these guys," said Benson. "We worked hard all week and through injury and sickness, so it feels really good."

The Lions have come a long way from the team that scored a single touchdown all season three years ago. They realize they have a lot of work to do. "I'm extremely pleased with how we are playing but I am very cautious in looking too far ahead to the rest of the season," said Kelly.

The Huskies drop to 1-2. The 1-1 FHS Black Kats take on the 0-2 St. Malachy's Saints at 1 p.m. this afternoon at FHS field. At the same time at OHS field, the 1-1 OHS Beaver Brokerage Blues will try to knock off the 2-0 Saint John High Greyhounds.
